

Greiner-Maltz celebrating anniversary with 'Click for Charity' program

Greiner-Maltz celebrates its 50th Anniversary by launching "Click For Charity," a new feature of its website, which will provide donations to a representative group of local charitable organizations.

www.greiner-maltz.com is visited by thousands of bankers, appraisers, lawyers, and corporate executives over the course of the year. By clicking on the Greiner-Maltz red and gold 50th Anniversary symbol, each visitor can elect to have Greiner-Maltz contribute a "penny-a-click", with 100% of the proceeds going to the selected charities.

"With the creation of the "Click For Charity" page, Greiner-Maltz is joining together the continuing success of our company with charitable giving to the community which has helped us prosper for the past 50 years," says John Maltz, SIOR.

The charities that will benefit from the program are:

- **The New York Times Neediest Cases Fund.** Each year, The New York Times Neediest Cases Fund collects contributions from the public by publishing stories about people living in despair in New York. The active campaign begins in early November and runs for 90 days; however, contributions are always welcome. Since The New York Times pays all fund expenses, 100% of the contributions go directly to the following social service agencies: The Brooklyn Bureau of Community Service, Catholic Charities of the Archdiocese of New York, Catholic Charities, Diocese of Brooklyn and Queens, The Children's Aid Society, Community Service Society of New York, Federation of Protestant Welfare Agencies, Inc., UJA - Federation of New York.

- **City Harvest.** Founded in 1981, City Harvest is the world's largest and oldest food rescue program.

Each day, City Harvest picks up nearly 45,000 pounds of food that would otherwise go to waste from restaurants, farms, grocers, bakeries, and other sources and delivers it to community food organizations serving needy New Yorkers. Its fleet of 14 refrigerated trucks is on the road day and night, helping to feed nearly 200,000 hungry men, women, and children each week.

- **Queens Child Guidance Center.** Established 50 years ago to promote the emotional well-being of children and their families, the Queens Child Guidance Center offers a wide range of services and practical supports. By offering community-based after-school programs, tutoring, day care and therapy to children and their families, the center helps children cope with challenges such as child abuse, profound sadness and thoughts of suicide, school and behavior problems, foster care placement and immigration difficulties. In 2002, the Queens Child Guidance Center assisted 8,000 children and their families.
